HODLFIRE

Indicator & Bot

The Must-Have “Income Indicator” Every Trader Needs. We built the HODLFIRE indicator as your visual edge - a privately coded tool that shows you exactly when the market is turning so you can enter and exit with confidence.

Two versions designed for how you actually trade:

➤ HODLFIRE (Spot Trading)

Perfect for spot positions on mid-to-longer timeframes. Clear pivot points, Buy/Sell tags, and glowing Neon Fire Candles that highlight real volume strength.

➤ Leveraged HODLFIRE

Specially redesigned for Long/Short leverage trading. Faster top pivot signals, upgraded Long/Short tags, bot tips on Bybit & MEXC Futures coins, plus a monthly live trainer call for overview and support using this indicator.

HODLFIRE

INDICATOR & BOT

Why it's a game-changer for every trader:

- NEON candles will GLOW for volume both directions
- Proven 85-100% win rates on real charts and timeframes
- Works on any market - Crypto, Forex, Stocks, S&P, Gold, and all charts on Tradingview
- Built-in alerts so you never miss a high-probability setup
- Crypto bot signals on major exchanges.

REAL SIGNALS. REAL VOLUME CONFIRMATION. REAL INCOME POTENTIAL.
HODLFIRE INDICATORS - TRADE SMARTER. PROFIT BIGGER.
GREATER CONFIDENCE IN EVERY BUY AND SELL DECISION.

Foundational Trading Course

Since 2019, we've helped thousands of traders from complete beginners to seasoned pros build real, practical skills and turn trading into a genuine career or extra income.

This is where your journey starts: a complete foundational trading course that teaches you how to trade cryptocurrencies safely on short timeframes (and beyond), while protecting your capital every step of the way.

This Foundational Trading Course is fully supported with live trainers and support as you learn the way that fits you best:

➤ Self-Paced Online Course

Start immediately with high-quality recorded video modules, homework, quizzes, and weekly live trainer support calls. Learn at your own speed with full access for 3 months.

➤ Premium Private Training

Get personalized 1-on-1 live sessions with a dedicated trainer. We tailor the pace, schedule, and support to exactly what works for you and your lifestyle.

BitcoinTAF.com

The course includes the following

- Lifetime access to our powerful proprietary HODLNOTS Indicator (the 15-in-1 Hodlnots Indicator, aka HODLNATOR, tool)
- 30 days in the DEN (24/7 trading community)
- 30 days in the LODGE (continuing education & live sessions)
- 30 day with BB Rider signals to spot running coins (free with DEN)
- Automatic invitation to the 3M Program/Challenge, where beginners become expert Black Bear traders. For those wishing to become full-time traders this is a MUST program. Offered free for those who have taken this Course and wish to continue mastering minute trades.

REAL TRAINING FROM REAL TRADERS. REAL SUPPORT. REAL RESULTS.

HODLNOTS® DEN

The Premier Global Crypto Trading Community

24/7 Global Scalp Trading community.

The DEN is open to the public if you know how to minute trade. This is where the real action happens - in our private, high-energy Telegram channel where traders from around the world call running coins live on the 1-minute (and other short) timeframes.

Whether you're scalping for quick profits or just want to trade alongside others, the DEN is packed with real-time calls from community members, expert trainers, and Wendy herself. It's fun, supportive, and full of "more eyes on the charts" opportunities.

What you get with every DEN subscription:

Live 24/7 coin calls and scalp setups across multiple exchanges.
Free BB Rider Bot Tips - spots coins hugging the upper Bollinger Band as they start to run - The BB Rider is included with DEN.

BitcoinTAF.com

Certified HODLNOTS DEN members also unlock:

- Permanent access to The LODGE (advanced training room)
- HODLNOTS Certified Academy with extra videos & events
- Access to the 3M (Minute Money Masters) Program/Challenge
- 50% off the HODLFIRE Indicator.

TRADE LIVE. LEARN TOGETHER. WIN TOGETHER.
REAL TRADERS. REAL CALLS. REAL COMMUNITY.
