# STOCK MARKET REPORT
## Where to find the data

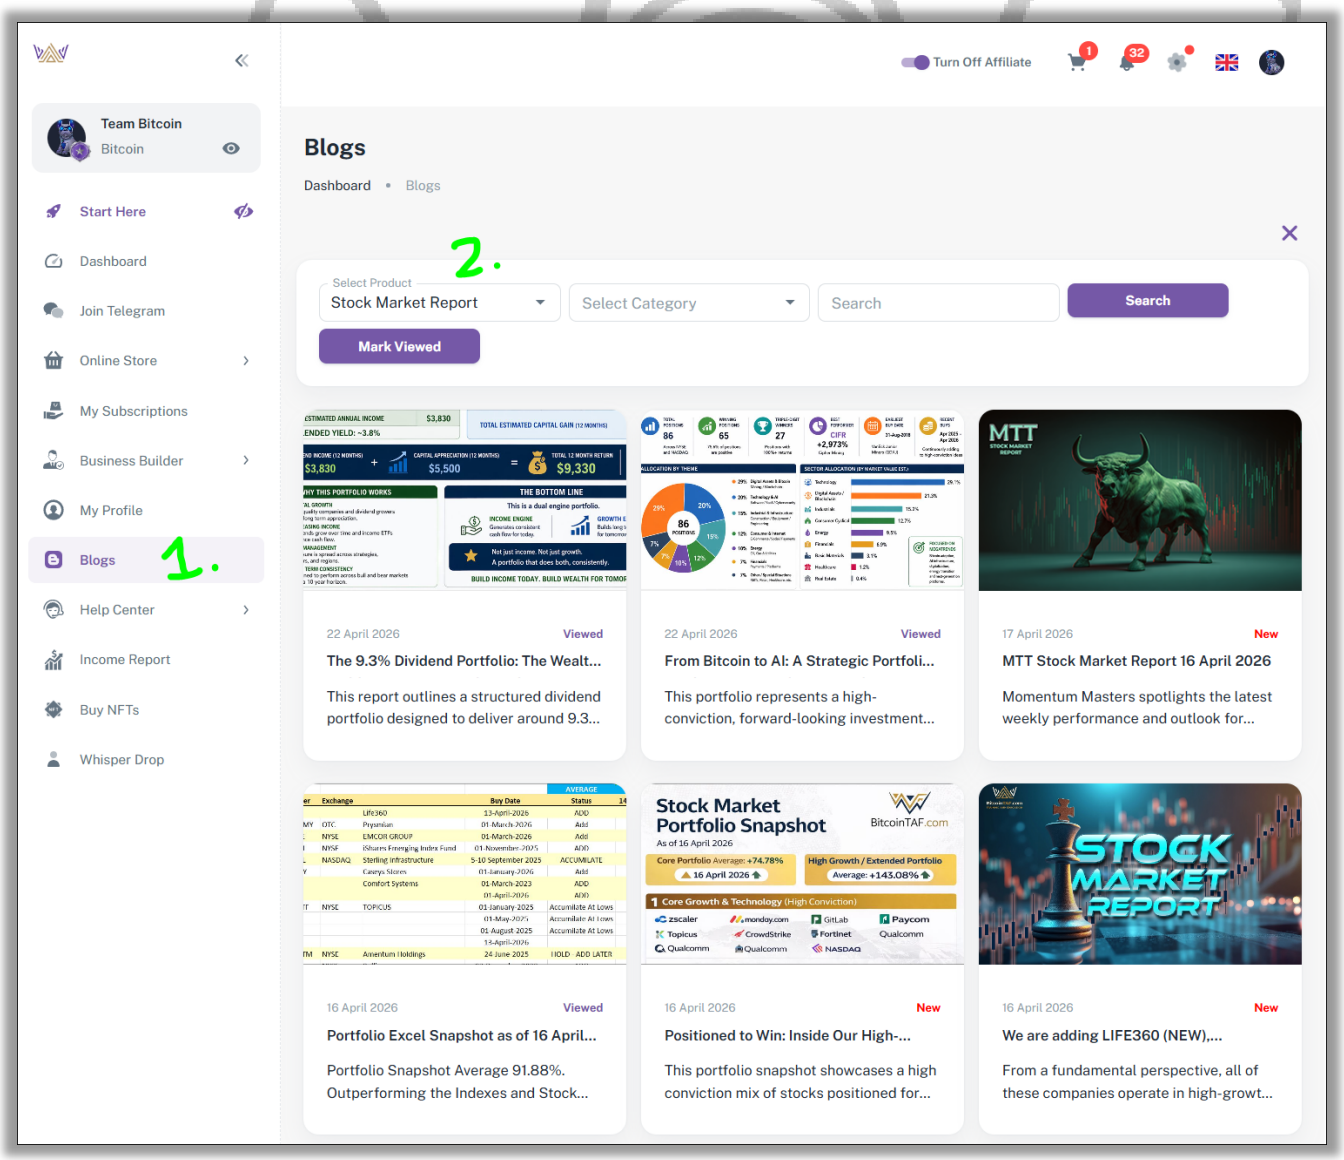
Stock Market Report

Dear Stock Market trader (If you are new, a warm welcome)
You can find the Stock Market Report data under the Blogs section on your dashboard. Please follow these steps:

**1. Go to Blogs**
On the left-hand menu, click on Blogs (as shown by the number 1 in the image).

**2. Select the Correct Product**
At the top of the page, use the dropdown labeled “Select Product” and choose Stock Market Report (as shown by number 2).

**3. View the Reports/blogs**
Once selected, all available Stock Market Report data will appear below. You can click on any report/blog to open and view the full data and insights. The blogs are your main reference for all the data.

We have moved away from a physical report as members are finding the blogs are more dynamic and easier to read. If you need any further assistance, feel free to reach out to our friendly support team.


Kind regards,
